full list.) The Steam refund offer, within two weeks of purchase and with less than two hours of playtime, applies to games and software applications on the Steam store. This functionality allows you not to lose your account by mistake, because of your loss of your account credentials or due to hacking. Third-party developers will have the option to enable refunds for in-game items on these terms. How Long We Store Data We will only store your information as long as necessary to fulfill the purposes for which the information is collected and processed or – where the applicable law provides for longer storage and retention period – for the storage and retention period required by law. 5.4 Google Analytics Our website uses Google Analytics, a web analytics service provided by Google, Inc. If you pay by credit card, you need to provide typical credit card information (name, address, credit card number, expiration date and security code) to Valve, which Valve will process and transmit to the payment service provider of your choice to enable the transaction and perform anti-fraud checks. You have the right to access your Personal Data that we hold about you, i.e. the right to require free of charge (i) information whether your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. Alternatively, you can select what kinds of emails you wish to receive on the email setting page. If it appears to us that you are abusing refunds, we may stop offering them to you. 3. Your Personal Data will be used in accordance with this Privacy Policy and only as far as this is necessary for performing customer support services. We do not consider it abuse to request a refund on a title that was purchased just before a sale and then immediately rebuying that title for the sale price.
